

Then You Will Run Free

a song for every good dog

by Kelli Caldwell & Chris Gorman

Verse 1:

What does he see?
What does he hear?
Where does he go?
What does he know?
Flying along
Like life is a song
Only the good dogs know

Chorus:

When he hears the call
Reach into his soul
He lets his wild fire go
Smokey will run free
Can you hear it too?
Reaching into you?
Let your inner child through
Then you will run free
Then you will run free too

Verse 2:

So many hills
And valleys in life
But that's where we find
Out what's inside
The right attitude
Can carry you through
Seems like the good dogs know

Bridge & End:

ooh hoo... ooh hoo...
ooh hoo... ooh doo doo doo doo...
