YAY!

You have a new Pistachio Hat

Continued from page 1...

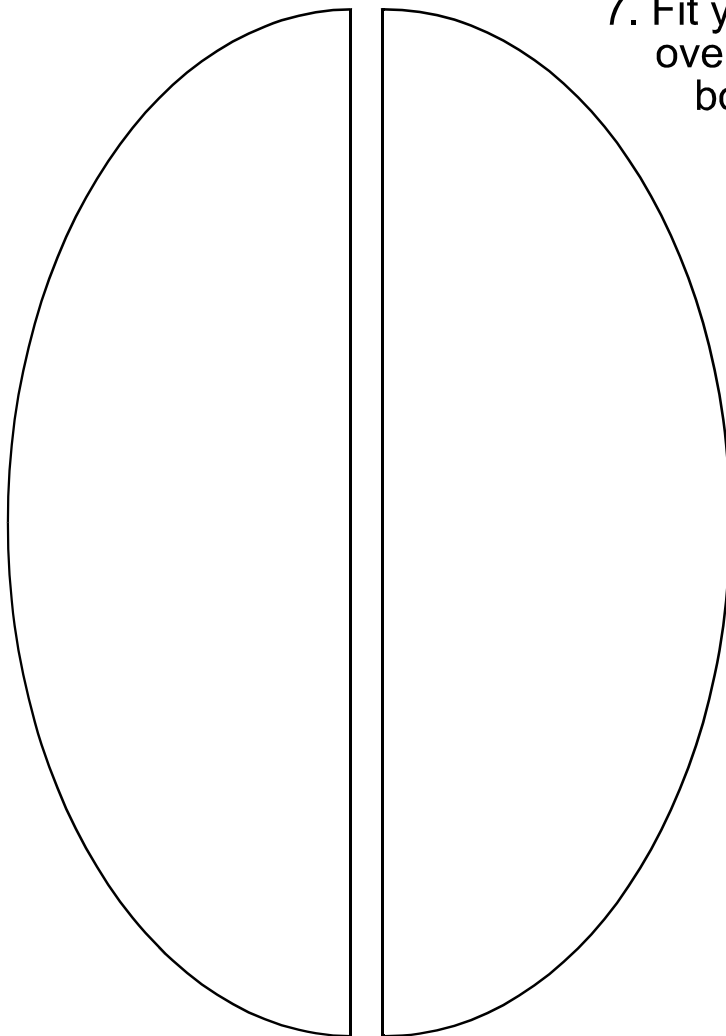

3. Print this page on heavy white paper or cut shapes out of construction paper
4. Color 2 shell pieces light brown or yellow and cut out
5. Cut 2 silly eyes
6. Glue eyes to green oval to make your pistachio come to life

7. Fit yellow/light brown shell pieces over your pistachio. Staple near bottom of the green oval.

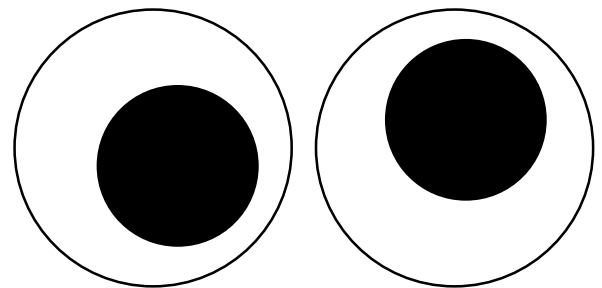

✦ Staple horizontal over both shells to be able to open and close the shells over the pistachio

8. Fit green strips around head and tape, glue, or staple to make headband

9. Staple green oval to headband

pistachio shells

silly eyes
